Increased Cash Reward Awarded to Anonymous Tipster

Crime Stoppers of Wichita – Sedgwick County approved an increased reward of \$1,000 for an anonymous tipster this month. Because of law enforcement’s role in responding to the information and quickly acting on the information, a potentially violent crime was prevented.

By investigating anonymous tips, officers arrested multiple felons believed to be planning a violent crime involving weapons. Law enforcement also seized handguns and cleared numerous felony warrants.

“It is our mission to solve and prevent crime, and fortunately, this was an instance where anonymous information did just that,” said Crime Stoppers Chairman, Henry Donaldson.

Crime Stoppers rewards generally range from \$50 - \$2,500, with higher rewards being approved for tips leading to suspects’ arrests in violent crimes.

“Crime Stoppers works, and we want this to serve as an example to our community that we are willing to pay top dollar for anonymous information that helps our law enforcement partners solve crime,” Donaldson said.
