13 Arrested Through Crime Stoppers Tips in May

Crime Stoppers of Wichita/Sedgwick County provided tips to local law enforcement that led to 13 felony arrests during the month of May. The arrests included persons with felony warrants, drug arrests, and an attempted robbery arrest.

Crime Stoppers approved \$2,150 in rewards to the anonymous tipsters. The program fielded 230 tips during the month, many of which are still being investigated by various law enforcement agencies and specialty units.

Crime Stoppers continues to be successful in furthering its mission of apprehending criminals with the community's help. "We have seen an increase in tips over the last few months, which shows that the program is working," said Crime Stoppers Chairperson Stacey Kluge. "Crime Stoppers is one way that citizens can assist law enforcement by providing information anonymously, and they receive a cash reward for their information if it leads to an arrest."

To report a felony crime through Crime Stoppers, tips must be provided anonymously. Tipsters should either call the Crime Stoppers hotline at 316-267-2111, download the mobile P3 app, or submit a tip online at www.wichitasedgwickcountycrimestoppers.com. Crime Stoppers is a division of the non-profit Wichita Crime Commission.
