Anonymous Tips Lead to Year's Largest Drug and Cash Seizures

Crime Stoppers tips led to the largest drug and cash seizures, so far this year in June. Wichita-Sedgwick County Crime Stoppers approved \$1,600 in cash rewards for anonymous tipsters at its July Advisory Committee meeting. Tips that were approved led to the arrest of 10 people. Of those 10, eight were arrested on drug charges.

Crime Stoppers tips led to the seizure of more than \$42,000 in drugs and more than \$35,000 in cash. At the same time last year, tips led to the seizure of just over \$1,500 in drugs and \$500 in cash.

"These numbers show that drugs continue to be prevalent, and that is why Crime Stoppers is needed in our community," said Crime Stoppers Chair Henry Donaldson. "We will continue to work with our citizens, media, and law enforcement partners to help arrest those committing crimes in Sedgwick County.
